

Risk Disclosure

Last updated: 9 October 2026

OnsaFX News is the official newsroom of OnsaFX, published by OnsaFX (Pty) Ltd. Some content on this site concerns OnsaFX products and services and is promotional in nature.

Risk warning

Forex and derivatives, including CFDs, are complex, leveraged products. You may lose more than your initial capital. Do not risk more than you are prepared to lose. CFDs are unlisted products and carry additional counterparty risk. Before trading, make sure you understand how derivatives work and consider your experience, financial position and objectives.

Not advice

Content on OnsaFX News is for information and education only. It is not financial, investment, tax or legal advice. Past performance is not a guide to future results. Seek independent professional advice where necessary, including tax advice.

Exchange control

International transactions by South African residents are subject to the Exchange Control Regulations, 1961.

Availability

OnsaFX does not offer its services to residents of certain jurisdictions, including the USA, Cuba, Sudan, Syria, North Korea, Russia, Myanmar and Iran. Nothing on this site is an offer to residents of those jurisdictions.
